Upcoming 2024

EVENTS

POST OFFICE
EXHIBIT 2024

Funds raised from our first four years have made many Dixmont Town House projects possible, including technology upgrades and the construction of an outdoor restroom facility—which makes the Town House a viable venue for many town functions.

We continue to develop a greater online presence, to host community events, and at this fall's *Head for the Hills event on Saturday, September 7th, we will have a Historical Post Office Exhibit at the Town House.*
